### Principal's Message

Dear Colusa High School Family,

Our CHS team continues to strive to support and connect with our students. We encourage our students to visit teachers during office hours for individual interaction. It is important for our students to reach out to their teachers if they need help. Thank you to all of the students and families for communicating with us, so we can best serve our students as a collective group. We also are proactively reaching out to students to offer support. Please remember no question is too small, and questions are a symbol of an individual seeking knowledge or displaying an inquisitive mindset. Ask questions!

I had the pleasure of visiting all freshmen English classes on Friday, September 18<sup>th</sup>. It was wonderful to interact with our freshmen. They completed a questionnaire in order for me to learn some of their favorite things, hobbies and such. I also shared my answers to the same questions. I'll be starting my visits to the sophomore classes this coming week. As always, our top goal is supporting our students.

Ms. Changus

### CHS Fall Athletes

If you are interested in participating in fall sports, please be watching for more info in the coming weeks. Coaches will be creating Google Classrooms. Proper paperwork will be submitted electronically to be cleared for participation. Participation will look differently, but we still encourage social interaction with peers and connecting with your love for sports. Signing up is the first step in the process. ### Mensaje de los directores

Estimada familia de Colusa High School,

Nuestro equipo de CHS continúa esforzándose por apoyar y conectarse con nuestros estudiantes. Alentamos a nuestros estudiantes a visitar a los maestros durante el horario de oficina para la interacción individual. Es importante que nuestros estudiantes se comuniquen con sus maestros si necesitan ayuda. Gracias a todos los estudiantes y familias que se comunicaron con nosotros, para que podamos servir mejor a nuestros estudiantes como grupo colectivo. También nos acercamos de manera proactiva a los estudiantes para ofrecerles apoyo. Recuerde que ninguna pregunta es demasiado pequeña, y las preguntas son un símbolo de una persona que busca conocimiento o muestra una mentalidad inquisitiva. ¡Hacer preguntas!

Tuve el placer de visitar todas las clases de inglés para estudiantes de primer año el viernes 18 de septiembre. Fue maravilloso interactuar con nuestros estudiantes de primer año. Completaron un

cuestionario para que pudiera aprender algunas de sus cosas favoritas, pasatiempos y demás. También compartí mis respuestas a las mismas preguntas. Comenzaré mis visitas a las clases de segundo año la semana que viene. Como siempre, nuestro principal objetivo es apoyar a nuestros estudiantes.

Sra. Changus

## Atletas de otoño de CHS

Si está interesado en participar en los deportes de otoño, espere más información en las próximas semanas. Los entrenadores crearán aulas de Google. La documentación adecuada se enviará electrónicamente para que se autorice la participación. La participación tendrá un aspecto diferente, pero seguimos fomentando la interacción social con los compañeros y la conexión con su amor por los deportes. Registrarse es el primer paso del proceso. Tan pronto como tengamos más noticias de CIF, notificaremos a todas las personas que se inscriban para participar. Esperamos ofrecer oportunidades competitivas para nuestros atletas deportivos de otoño, invierno y primavera. Las exenciones deportivas aún se pueden obtener completando los diversos requisitos indicados por nuestro cuerpo técnico.
