CHS TODAY

Colusa High School is alive and well with a full slate of activities and athletics! The great tradition of support by families and community continues to be the foundation for current students to enjoy many of the same opportunities that were enjoyed by our alumni. The tireless work of the Colusa Redskins Athletic Foundation, led by current president Greg Ponciano, has been the main catalyst to fundraising, games and tournament support, equipment and uniform replacement, and keeping the traditional values of CHS Redskins in the forefront of all activities.

During 2003-04, the CHS Leadership Class, working with the Parent-Teacher Student Association and CRAF, organized a Homecoming Parade through town and repainted the gym, lobby and weight room in school colors. During

the basketball season, which saw our boys team go to the section championship game, students and CRAF organized a 6th-Man rooting section that pumped some tremendous spirit into the final weeks of the season. The winter season also produced an undefeated section championship for our Boys Soccer team. The spring season saw our perennial powerhouse Boys Golf team win yet another league championship and compete well throughout the section.

With all our successes, we have certainly had some challenges. The State budget and economy is pushing all of us to evaluate programs offered and operational decisions. Due the exorbitant costs of using the County Fairgrounds for football

games, we are looking at on-campus games or other alternatives for 2004. The State Legislature has a bill, AB 858, under review that will ban the use of the Redskin mascot, but not until January 2006 if passed.

We hope this newsletter finds everyone healthy. Your letters and donations have been a wonderful breath of fresh air. Thank you for your continued commitment to Redskin Pride.

Thanks to all those who contributed

Last year the Colusa High School Alumni Association sent out a letter asking everyone to make a unique and simple donation. In order to join the association, we asked that a donation equal to your graduation year be sent in. For example, the year 1980 would send \$19.80 and so on.

While most did just that, many sent in very creative amounts!

Listed here are all the first ever Colusa Alumni Association members by class.

This list represents the tremendous response we received from Colusa High graduates, friends of our school and even future graduates. Way to go class of 2010.

Special thanks to Colusa High's Computer Application classes.

Many students were involved in creating this newsletter. We sincerely apologize if any names were omitted or misspelled.

About Our Organization...

The Colusa High School Alumni Association was developed to reach out and locate all our past graduates and provide a communication database for years to come.

Your financial support in joining us allows current students to enjoy the athletics that we all remember. California Schools are struggling with tight budgets and your help provides stability to uncertain economic situations.

If you're interested in getting involved or have suggestions how we can achieve this goal, please contact the Colusa Unified School District Office or simply fill out the suggestion form on the back and send it in!

Did we miss anyone!

If we missed your donation, please let us know so we can recognize you in our next newsletter!

Or, if we don't have your correct address, please fill out the form and mail it in. We'll be sure to include you in all of our activities.

Moved!...Lost!...

Please let us know your current address and the whereabouts of any lost alum's!

Did your class participate last year? Don't be left behind, join us!
