Dear Colusa High School Alumni;

The Colusa Redskins Athletic Foundation has been working closely with the Colusa Unified School District in developing an Alumni Association for Colusa High School.

Over 55 years of alumni are being contacted with this letter in hope of unifying our past and securing our future. Former class officers and interested classmates have eagerly provided us with information to contact nearly 4000 graduates of Colusa High School.

We know that your lives are busy and travels may have taken you miles from our little town of Colusa. Hopefully this letter will kindle a fond memory of your days in Colusa and bring you back to join us in making sure future classes can have the same opportunities we enjoyed at Colusa High School.

Our Alumni Association is asking that you send a donation equaling the year you graduated. Some examples would be: 2003 = \$20.03, 1973 = \$19.73, 1940 = \$19.40 and so on.

Your small donation will benefit us immensely. This year, the State budget cuts have put a great deal of economic pressure on our school. Our Alumni Association will begin to provide economic stability for our athletic programs. Please take the time to join us this year. Your donation will go right to work.

*Please make your donation payable to:*
